Re: Public Notice of Draft NPDES Permit
NPDES Permit No. ID-0022781
City of Plummer Wastewater Treatment Plant

Dear Mr. Clark:

Enclosed for your information is a copy of a draft National Pollutant Discharge Elimination System (NPDES) permit which we propose to issue to the above referenced facility, the fact sheet which explains the conditions in the permit, and the public notice as it will appear in the Coeur d'Alene Press.

The Public Notice initiates a 30-day public comment period. Following the close of the public comment period, we will consider the comments received when preparing the final permit.

Technical questions regarding the permit may be referred to Brian Nickel of my staff at 206-553-6251 or 1-800-424-4372 ext. 6251 or via email at Nickel.Brian@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael J. Lidgard".
